SOFITEL
LEGEND

Sofitel Legend The Grand Amsterdam is the perfect location for discreet board meetings to lavish banquets and from conferencing events to weddings. The Grand provides banqueting facilities in one of the most sought-after properties in the city centre of Amsterdam; offering premier conference facilities and the Magnifique Meetings™ concept, which combines the latest conference technology with excellent service and facilities.

Former City Hall

The Grand boasts nineteen meeting rooms and banqueting halls in total, covering 1400 m² (15.070 ft). Five of these rooms are listed as historical monuments and were taken into use when The Grand formerly served as City Hall of Amsterdam: the Council Chamber, the Burgomaster and Aldermans Chamber, the St. Cecilia and the beautiful First Class Marriage Chamber. These historic rooms boast natural daylight, canal or garden view and all have a different magnifique story.

Princenhof

The Princenhof, once functioning as accommodation for, amongst others, Prince William of Orange and the French Queen Maria de Medici, holds fourteen contemporary meeting rooms, all equipped with modern audio-visual facilities. It is the perfect venue for private meetings and conferencing events.

Tailor-made banqueting

Dedicated to your event, the Magnifique Meeting™ planners will assist you in planning your event to the smallest details, to ensure a seamless service and stress-free experience.

Whether you are organising a board meeting or a private dinner, the Magnifique Meeting™ planners will plan your event into detail and work closely together with the Executive Chef of The Grand to not only provide you with the best accommodation and facilities, but also with a culinary menu that suits your wishes and preferences.

Additionally, Michelin-star restaurant Bridges Dining features an exclusive private dining room that can accommodate up to 12 guests. Flooded with natural daylight and with pleasant views on one of Amsterdam's oldest canals, guests can enjoy a Michelin-star dinner of Executive Chef André Delpout up to 8 courses.

Magnifique facilities

Located between two historical canals in the heart of Amsterdam, The Grand boasts a rich history; from a 15th-century convent to royal lodgings, to Dutch Admiralty headquarters, to the City Hall of Amsterdam. The Grand offers five-star luxury in a unique 'Amsterdam' ambiance, furnished with French elegance and grandeur.

The Grand has 177 spacious rooms, including 52 luxury suites with Butler service. The SoSPA offers a real escape from the hustle and bustle of the city, with special treatments, a heated indoor swimming pool and sauna facilities. The hotel features exclusive food & beverage facilities, such as Michelin-star restaurant Bridges Dining, restaurant Bridges BarBistro and the typical Dutch brown café The Flying Dutchman; ideal places to enjoy a wonderful lunch or dinner or to enjoy a drink at the end of the day.

Next to the on-site activities, The Grand can of course also assist in organising off-site activities, such as boat cruises and bike tours.
