Authorizing Manager: _____ Date: _____

iBid RATE LOADING SERVICE:

Service description: Preferred Hotel Group (PHG) will track all corporate and consortia rate programs in which the hotel is accepted via the Lanyon 3C System. Rates will be loaded in the Synxis CRS Control Center and rate plans will be mapped into all applicable Global Distribution Systems as instructed by the corporate or consortia account. PHG will send a confirmation notice to hotel via email as each rate plan is loaded. Upon enrolling in this program, the Preferred Hotel Group Data Services team will consult with hotel to define room types and any definitions that are needed for accurate loading.

Fees:

- Minimum Service Fee includes loading rate plans for 1-30 account(s): \$500.00 USD billed upon enrollment
- Over 30 accounts in minimum incremental groups of 25 accounts: \$250.00 USD / incremental group billed following the loading of the first rate of the incremental group

Requirements of Enrollment: The following requirements must be met by participating hotels:

- iBid standard fees must be paid in full
- Minimum Service Fee for iBid Rate Loading Service must be paid in full
- Hotel acknowledges that only bids submitted and accepted via iBid will be loaded under this services and that only the rates accepted through the Lanyon 3C System will be loaded

Yes, on behalf of "Hotel" I ACCEPT
