## Promoting Cultural & Heritage Travel to Prestigious Historic Treasures

### 2022 FACT SHEET

#### MISSION

Historic Hotels of America® is an official program of the National Trust for Historic Preservation and has the mission to increase the preservation, recognition, and celebration of the finest Historic Hotels. On October 26, 1949, Congress chartered the National Trust for Historic Preservation to advance the policies established by the Historic Sites Act of 1935 and “provide for the preservation of historic American sites, buildings, objects, and antiquities.” For more than 70 years, the National Trust for Historic Preservation has led the movement to save America’s historic places. A privately funded nonprofit organization, it works to save America's historic sites; tell the full American story; build stronger communities; and invest in preservation's future. Today, Historic Hotels of America has more than 300 historic hotels that have all faithfully maintained their authenticity, sense of place, and architectural integrity and located in 44 states, the District of Columbia, and Puerto Rico. Historic Hotels of America is comprised of independently owned and operated historic hotels and historic hotels representing more than 35 of the world’s finest hospitality brands, chains, and collections.

#### FOUNDING DATE

Historic Hotels of America was founded in 1989 by the National Trust for Historic Preservation with 32 charter members.

## MEMBERSHIP CRITERIA

To be nominated and selected for membership in this prestigious program, a hotel must be at least 50 years old; designated by the U.S. Secretary of the Interior as a National Historic Landmark or listed in or eligible for listing in the National Register of Historic Places; and recognized as having historical significance. The Historic Sites Act of 1935 authorized the U.S. Secretary of the Interior to formally record and organize historic properties and to designate them as having national historical significance and gave the National Park Service authority to administer the program. The National Historic Preservation Act of 1966 established the National Register of Historic Places for recognizing districts, sites, buildings, structures, and objects worthy of preservation. Both programs were combined with oversight by the National Park Service. Travelers can discover over 25 historic hotels designated by the U.S. Secretary of the Interior as National Historic Landmarks and experience more than 130 historic hotels listed in the National Register of Historic Places.

## HERITAGE

Members of Historic Hotels of America represent the heritage and development of America. One of the earliest hotels, El Convento Hotel in Old San Juan, Puerto Rico is a former Carmelite Convent dating to 1651. Another, Concord's Colonial Inn dates to 1716. During the Revolutionary War, one of the inn's original buildings was used to store arms and provisions for the Concord Minutemen. The Omni Homestead Resort in Hot Springs, Virginia, considered America's First Resort, has been welcoming guests since 1766.

*"The work of Historic Hotels of America is indispensable in maintaining architectural masterpieces, which not only continue to serve the traveling public, but are also enduring monuments to our national*

*heritage.”*

-Dr. A.K. Sandoval-Strausz, Ph.D., History Professor, University of New Mexico, Distinguished Lecturer, Organization of American Historians

*“If a hotel was not built recently, then consumers will categorize the hotel as either historic or old. Obviously, it is better to be historic.”*

*“Academic research conducted across several different industries suggests that brand heritage supports premium pricing. ... historic hotels can achieve a significant advantage in ADR and REVPAR versus contemporary hotels ... The key variable seems to be the degree to which the older hotel emphasizes and celebrates its history.”*

-Bradford Hudson, Ph.D., Marketing Professor, Boston College.
