November 2 & 3 - Eric Grady **As seen on Comedy Central**

National touring comedian, Eric Grady, "The Tall Guy", has been making audiences bust their guts from laughing with his hilarious, edgy, and fresh stand-up comedy. He's honed his rapid fire comedy to be quick, sharp, and hilarious. Eric talks about himself, and his view on the world around him, including subjects such as; his life being so tall, his marriage, his step-children, his dog, his single life, his travels, and his accent, to name a few. He's physically funny, using his height and his weight to do mind-bending, body bending comedy. You can catch Eric at a comedy club near you. And you should. Eric is a VERY funny person.
