

THEY DON'T MAKE MATTRESSES LIKE THEY USED TO...

BUT WE DO.

- HANDCRAFTED. CUSTOM × COMFORT MATTRESS

For nearly thirty years, we have been a family owned and operated company dedicated to creating American made mattresses the way they should be made: sustainable, more comfortable and supportive, and longer lasting, with handcrafted care in every stitch.

It's our way of bringing comfort to the world.

HANDCRAFTED

By building a better mattress, we give your guests a better night's sleep.

Our traditional handcrafted techniques, modern innovations, and high quality, natural materials allow us to provide mattresses that guarantee a sound, healthy sleep for your guests.

OUR MISSION: YOUR GUESTS' COMFORT

Our mission is simple: We seek to provide your guests with the comfort of a good night's sleep. Our handcrafted, double-sided, natural mattresses are longer lasting, more supportive, more comfortable, and healthier to sleep on. This means your guests can get the sleep they need to relax, restore and rejuvenate while at your property.
