

## The Grand Wine List

We have organized our wine list to help you select the taste and style of wine you enjoy most.

From beginning to end and within each sub heading, the wines are listed from those that are lighter and fruitier in style to those that are heavier and fuller in body.

This means that wine with taste similarities are grouped together. We hope this encourages you to experiment a bit and try some new and different wines.

## Wines by the Glass

Listed from milder to strongest

### **Bin No. 3543**

Beerenauslese Riesling, Schmitt Söhne,  
Rheinhessen/Platz, Germany
