ROOM TYPE BUILD-OUT
for BOOKING ENGINE

Welcome to Historic Hotels of America!

To best ensure your hotel is properly optimized and delivering accurate information through the booking engine, please complete this form listing out all room types with brief descriptions of the room and amenities.

In addition, please send a corresponding image of each room type through DropBox or WeTransfer. The file name should be specific. Instead of *guestroom.jpg*, name the file *Superior Room.jpg* or *Presidential Suite_Living Room.jpg*. **The image file names are the <u>only</u> indicator we have for matching the image with the room type.**

Please send the completed workbook and images to webmaster@historichotels.org.
