

CEDAR CREEK SPA

This 18,000 square foot facility showcases extraordinary Ozarks craftsmanship, with hand-hewn timber ceilings, natural stone floors, handcrafted stained glass accents and antique style chandeliers. A grand, double staircase leads you to one of our eleven luxuriously appointed treatment rooms, each featuring its own cozy fireplace. A roaring fireplace serves as the dramatic backdrop for the saunas, hot spas and steam rooms leading out to private open-air showers.

The spa features a host of unique amenities, like an extraordinary indoor grotto pool and ice room. You will also enjoy world-class treatments like the "Ozarks Rain Experience." The full-service salon is equipped with massaging pedicure chairs, custom sofas and an old-fashioned barber chair for men's grooming.

FREQUENTLY ASKED QUESTIONS

How far in advance should I book my spa appointment?

Advance reservations for services are highly recommended. Before you arrive, call (417)339-5201 for reservations. Same-day reservations are welcome. Big Cedar guests can dial ext. 5201. If you need to cancel an appointment, you must do so at least 24 hours prior to your scheduled treatment time in order to avoid being charged for the scheduled appointment.

Who will be performing my spa treatment?

All treatments are provided by male and female licensed professionals. If you have a gender preference, please make that request when you schedule your appointment.

What time should I arrive for my appointment?

Arrive approximately 25 minutes early. By arriving early, you'll be able to relax and enjoy your spa experience. Remember that each appointment is precisely timed. As a courtesy to our guests, all appointments begin and end on time.

Should I disrobe entirely for my spa treatments?

Our staff has been trained to respect the privacy of our guests. During each treatment, the areas of the body not involved will be covered. If you would feel more comfortable, you may wear underwear so that you can relax and enjoy your treatment.

Should I bring my bathing suit?

We encourage all guests to bring a bathing suit. The grotto pool area is co-ed and bathing suites are required. Bathing suits are also available for purchase at Cedar Creek Spa and Collections Boutique.

Can I bring my child?

Children are permitted in designated areas of the spa if they are receiving a spa treatment. If your child is not receiving a spa service, call Guest Services at 1-800-225-6343 to learn about Kids' Club availability.

Is gratuity included in the cost of the service?

A 20% service charge will be added to all spa services. You may add additional gratuity at your discretion. Our rates are subject to change without notice.
