

THE CHASE PARK PLAZA

KHORASSAN BALLROOM & REGENCY ROOM

ONE OF THE MOST FABULOUS AND HISTORIC GRAND RECEPTION HALLS OF ST. LOUIS IS THE KHORASSAN BALLROOM, the largest event space in The Chase Park Plaza. From the expanse of its soaring ceiling to its classically elegant design, everything about this room is impressively distinctive.

For companies and organizations hosting meetings, galas or other events with up to 2,000 guests, the Khorassan Ballroom offers a spectacular setting that is spacious and highly flexible. It offers a warm color palette and unique Art Deco light fixtures, yet you will have limitless options in personalizing the space with your own lighting or decorative additions. The Khorassan Ballroom's wide, deep stage — equipped with a lift that has easily loaded cars, motorcycles and even an Anheuser-Busch Clydesdale — comfortably hosts presentations or products of all kinds.

The nearby Regency Room provides organizations with a private staging or break area, while the Khorassan West is perfect for pre-event cocktails.
